## THE RECONNOISSANCE FROM CAIRO.

Som. Fore telegraphs the Navy Department wait for witnesses, that jesterday he made a reconnoissance from Cairo in the gunboat Essex, Capt. Porter, accompanied by the gunboats Taylor and Lexington, Capts. Walker and Shirk, and Col. Webster of the Engineer corps. They went and will probably report a bill differing in many down the Mississippi to within range of the Particulars from that of the Chairman. batteries at Columbus. While reconnoitering the latter, one of the submarine batteries planted in the channel by the Rebels was discovered, which did no harm.

### A RABLEOAD FOR THE ARMY.

the army! This, certainly, is one of the mar- ited in account with the Government, the A letter from the Twelfth Indiana, at Sharpeburg. vels of the war. Every day developes more moneys it advanced to equip regiments and send informs me that a portion of the political prisoners and more the necessity for increased facilities them into the field. This course will probably be the accommodation of travelers seeking the has a credit account in the War Department. If the forage account with the success of this war shall be a regretful one to the people, that one-horse railroad from Baltimore We are indebted to James F. Gillett of New will be wholly to blame for it. Congress York, who has just returned from Richmond, should instantly authorize the construction of 2 for the following copy of the Rules and Regu-

The single-track road, which is now in a chronic state of cleg and delay, is a monopoly P to pay nearly 4 cents a mile for passenger chericular and from 5 to 8 cents a mile for passenger other source will be devertible and which compels the Government and the public freight-double what ought to be paid. It is the even at these exorbitant rates hopelessly unequal to the duty of delivering troops here on go time, bringing forage so as to get a day's stock ahead, and delivering New-York mails passing within the day. If, by stress of weather, the concern should become the only avenue through which food could reach the cavalry and transportation service, a great calamity may teach Congress the fearful impolicy of contining the contining the approach to a national capital, in time of war, to a single line of rails.

Thornton Grimsley, who died suddenly in this city a few weeks since, was once connected with Murrell's freebooters, and the assertion that he received notice ments and apparent indignities to which Gen. Sigel of his assessment as one of the rebel sympathizers, was subjected. They have borne their legi imate and was so excited by it as to bring on the attack of illness which proved fatal, were, I am reliably inannouncement of the fact, and there is a bare possi-bility that it may not prove a fact after all; but, un-what seemed to be ample authority, but to learn that fortunately, there is too much reason to believe it. they were false is gratifying, and to make the cor-Gen. Sigel is at Rolla. For the last four or five days rection, an act of simple justice to the surviving friends of an honored citizen.

Correspondence of The Missouri Democrat.

Stranson, Mo., Dec. 19, 1851.

One of the severest engagements that has been fought during the campaign in Missouri, took place yesterday at Mount Zion, eighteen miles south-week from this place, between 600 Unionists, commanded by Brigs-Gen. Prentiss, consisting of a detachment from Col. Birge's Sharpehooters and five companies from Col. Glover's cavairy, and 700 or 800 Confederates, which resulted in the rout of the rebels with severe loss and the capture of their camp.

Skirmishing commenced at 11 o'clock a. m., and in three hours after our troops held complete possessions.

Of Col. Glover's Cavairy, Company C. Capt. Black, killed Hubert Gregg Alfred Magers, and G. M. Douglas. Wounded John E. Stawart in the breast; Isaac Black, in the mon and leg: Thomas Felpot, in the thigh; George Barnescast in the sec and head; John Sergan, in the leg; John Cra ford, in the foce, Henry Hender, in the face and back of t

bents, viz: one H-inch columbiad amidships, one ridded Parrott gun on the forecastle, and two 30localise and to provide the process of the guard or post are required to grow of the guard or post are required to grow of the prices are withdrawn from our observalocalise, and the provider are required to grow of the prices are withdrawn from our observalocalise, and the prices are withdrawn from our observalocalise and the prices and two 30localise and two just a man not to
know and honor his merit.

To say that the masses have full confidence in him
would be supervituous; for the bastard flag, to absude from the people. Gen. Halleck is
local for the prices are withdrawn from our observalocal for the prices and two just a man not to
know and honor his merit.
